

Offshore Catering Positions Nova Scotia  
East Coast Catering

East Coast Catering is recruiting for the following Offshore Catering and Housekeeping Positions in the province of Nova Scotia:

- Chief Steward/Camp Boss
- Cooks
- Bakers
- Galley Stewards/Kitchen Helpers
- Accommodations Stewards/Housekeeping Attendants/Laundry Attendants

The work will be on a rotational basis of 21 days on / 21 days off. Transportation to and from the offshore facility is done by helicopter. Offshore work can be very rewarding: wages are typically above market compared to other similar employment, there is typically equal time off, and you have the opportunity to work with very motivated, competent, and skilled people. Workers are expected to stay at the work facility for their entire 21-day work rotation, which can mean missing important holidays, birthdays, family events, etc.

Employment will be conditional upon being deemed medically fit for offshore work, passage of drug and alcohol screening, and completion of the following training: Basic Survival Training (BST), H2S Alive, Workplace Hazardous Information System (WHMIS), and other internal training modules. Priority for hiring will be given to residents of the province of Nova Scotia. We encourage applications from members of the Nova Scotia Mi'kmaq community as well as members of other traditionally under-represented groups.

Job Type: Contract.

Required education:

- High school or equivalent

Preferred experience:

- foodservice or housekeeping: 1 year

Required language:

- English

Please send your resume to [bernette.aucoin@compass-canada.com](mailto:bernette.aucoin@compass-canada.com) **no later than March 31<sup>st</sup>**.
