

Peter Conrod Construction Limited

Position: Heavy Duty Mechanic

Location: 29 Motts Dr, East Chezzetcook

Terms of Employment: Full time

Wages: Dependent on Experience

Summary

The Heavy Equipment Mechanic is required to perform skilled tasks in the mechanical repair and maintenance of heavy trucks, earth moving, and related construction equipment including excavators, and dozers. Work assignments will be received in the form of oral or written work orders, but the employee is expected to determine the nature and extent of needed repairs.

Duties:

- Heavy-duty equipment mechanics perform some or all of the following duties:
- Check all heavy construction equipment for proper performance and inspect equipment to detect faults and malfunctions
- Adjust equipment and repair or replace defective parts, components or systems, using hand and power tools
- Test repaired equipment for proper performance and to ensure that work meets manufacturers' specifications
- Clean, lubricate and perform other routine maintenance work on equipment
- Service attachments and working tools such as ploughs, winches, etc
- May perform repair work on heavy trucks
- Heavy-duty mechanics may specialize in specific types of machinery such as combines or tracked vehicles, or in engine overhaul, power shift transmissions, fuel injection, hydraulics or electronics.

Requirements:

- Appropriate credentials and certifications
- Required license or certification: Red Seal Journeyman Mechanic
- Experience as a Heavy Equipment Mechanic
- Possess a valid drivers license
- Proven mechanical abilities in hydraulics and electrical, including schematics and diagnostics
- Ability to work independently in a busy environment
- Experience with routine maintenance operations
- Able to effectively communicate both verbally and in writing
- Able to work well under pressure
- Strong attention to detail
- Physical ability to lift up to 50lb
- Travel to off-site locations may be required
- Safety equipment will be required, e.g. steel-toed safety boots, safety glasses/goggles, etc.
- Overtime as required
- Hazards associated with the trade
- Work both indoors and outdoors
