

**Mini Split Cleaning Technician
(part-time/casual)
Halifax, NS**

Breathe Clean is the first company in North America solely dedicated to the cleaning and sanitizing of ductless mini split heat pumps. We identified the problem of dirty, inefficient mini splits and developed proprietary techniques using environmentally friendly cleaners and sanitizers, and specialized pressurized cleaning equipment.

We are currently looking for a part-time/casual Cleaning Technician. Breathe Clean offers on the job training, company vehicle during work hours, and uniforms. We are looking for a mature, retired or semi-retired individual with some mechanical dexterity.

Requirements:

- Excellent communication skills
- Attention to detail
- Ability to lift heavy objects
- Excellent time management skills
- Valid drivers licence / clean drivers abstract
- Availability to work days, evenings, weekends
- Friendly, outgoing personality
- Criminal record check
- Ability to work under minimal supervision
- Knowledge of heating and cooling systems an asset
- Available to start ASAP

Please forward resume to info@breathe-clean.com. Breathe Clean would like to thank all applicants for their interest in this opportunity; only those selected will be contacted.
