

Summer Student Job Experience Positions

Looking for a little adventure? Mobilize is a Canadian work/travel jobs program that could have you earning (and learning) in Ontario – or on your way to Manitoba, Alberta or BC!

We're hiring adventurous Canadians who want to work in a Canadian hotel, resort or restaurant for six-month summer/winter placements – and build skills and experience. Once your time has been completed, you'll walk away with new job references, new friends and memories to last a lifetime. If you want to stay on after your summer/winter deployment, that option exists! More than 130 young Canadians have already been hired and are right now being deployed to summer jobs across the country. This is your chance to join some of them on location, share the experience and make new friends.

Are you ready to travel right now? Then we want to hear from you! We've a number of openings – all we need now is great people to fill them. And the best part is we provide a place to stay – there's no cost for housing! All you have to do is pack your clothes and book and pay for your travel.

You'll be placed in hotels, resorts and restaurants – we've got opportunities across the country!

Summer session runs from May until October and winter session begins in November until April. Students returning to school or are currently enrolled in a program will not be eligible to join.

ABOUT THE PROGRAM: This is full-time, paid work. You start with a six-month summer placement in one location, and if you like it, stay with the program for a winter placement at an amazing mountain resort in another Canadian destination! You'll come away with references, skills, new friends – and memories to last a lifetime. And if you want to stay on after your deployment, that's an option, too.

WHAT JOBS DO YOU HAVE AND WHERE? We have amazing placements across the country, including in Ontario, Manitoba, Saskatchewan, Alberta and BC. We are seeking to fill positions for cooks, servers, front desk, and housekeeping. You'll be placed in hotels, resorts and restaurants. Right now, the most urgent role is Room Attendant, for cleaning and housekeeping duties.

HOW MUCH WILL I MAKE? Wages vary from province to province. But you will definitely make enough to live on (at least minimum wage – with performance bonuses and tips in some roles), especially since you don't have to worry about rent and utilities. But this program isn't about getting rich. It's about gaining experience, having fun and making friends.

WAIT, DID YOU SAY FREE HOUSING? That's right. **FREE.** We find you a place to live and cover all housing costs during your deployment. All you have to do is pack your bags and book and pay for your travel. You'll be living with other "Mobilizers," so if you have friends you want to live and travel with, apply together!

WHO CAN APPLY? If you're 18+, legally able to work in Canada, have a high school diploma, can provide a clear police record, not returning to school in the next 6 months, and have a sense of adventure you're eligible! Customer service or hospitality experience is a definite asset, but it's not required – the program is about learning, after all.
