

35 Akerley Blvd, Dartmouth, NS B3B 1J7

**Company:** Neocon International

**Job Title:** Now Hiring: Production Technician Full Time

**Description:**

As a Production Technician, your duties will pertain to the process of manufacturing, assembly, and packaging thermoformed cargo management parts (products) for the automotive industry.

We offer comprehensive benefits, shift premiums, plenty of overtime in periods of high demands, flexible scheduling (days and evenings), four-day work week, and vacation days.

Our production process offers multiple shift opportunities, including days, nights, and weekends.

Day shift – Mon to Thurs 6 am to 6 pm

Night shift – Mon to Thurs 6 pm to 6 am

Weekend shift – Fri to Sun 6 am to 6 pm

*Production experience is a bonus; however, not a requirement.*

Neocon International has maintained a strong reputation here in Halifax and have consistently improved our relationships with our international customer base since our inception over 25 years ago. We strive to offer a positive and fun work environment with the potential to grow from within. We are located in Burnside at 35 Akerley Drive, highly accessible by car or bus.

Please submit your resume to [tmosher@neoconinc.com](mailto:tmosher@neoconinc.com) with the Shift you are interested in highlighted in the subject line (i.e. Day Shift, Night Shift, or Weekend Shift).
