

**Metro Community Housing Association is seeking:**

**Part Time Term Residential Care Worker (40 hours bi-weekly)**

**Are you ready to make a positive contribution to people's lives?**

We are currently recruiting a PT Term Residential Care Worker (40 hours bi-weekly) to support people who have experienced mental health difficulties in a large residential care home. Many shifts we are trying to fill are 11pm-7am (backshift awake). Other shifts at this location are 7am-3pm, 3pm-11pm, 9am-5pm and involve meal preparation, laundry, personal care, cleaning and assisting with medications. In addition to your scheduled shifts, additional hours are available. **This is a term position for one month with the possibility for extension.**

We require people who are client focused, work well with others, demonstrate sound judgement, possess effective conflict resolution skills and understand the importance of non-verbal communication. Basic verbal and written English language skills are required to be successful in this role. You have current First Aid/CPR, a human services diploma (or equivalent), personal care training along with some experience in the health care field.

This is an excellent opportunity for new graduates or folks new to the area as there are opportunities for internal advancement.

The rate of pay is \$15.92 per hour. This term position is part of CUPE Local 2305.

Please apply to [humanresources@mcha.ns.ca](mailto:humanresources@mcha.ns.ca) quoting PTRCW Term.

Those who will be interviewed, will be contacted.
