

Personal Attendant: Shannex Care at Home-Casual

We're growing again! We are looking for Personal Attendants to work in our facility in the **HRM and Truro Areas**.

At Shannex we share a common primary objective to address the individual needs of every client. This is accomplished by understanding and being committed to the Philosophy of Service. Being a part of Shannex means consistently demonstrating and integrating our client directed philosophy into daily routines. This is more than a place to live or work. We are a community of people and friendships where the focus is on living well in the place our clients call home.

Responsible for personal care in the client's home within our retirement living community and in long term care facilities, you have a passion for ensuring people are living their best life. This is a position for someone with a positive attitude and who enjoys working with the senior population. **You are able to work flexible hours, are committed to your work responsibilities and can work independently. You understand that personal attendants work holidays and weekends; and work a variety of hours.**

Our compassionate and reliable employees take pride in knowing that their work helps seniors maintain their independence.

If you want to make a difference, we would like to meet you. Candidates must have a minimum of Grade 12. *CPR Certification and an education in geriatric care are considered an asset.*
