

## **ENGLISH SECOND LANGUAGE TEACHER**

### Job Posting

The H&R MFRC is looking for an ESL Teacher who will be responsible for: evaluating student language skills, developing and implementing lesson plans consistent with second language training curriculum, administering both formative and summative tests to all students, preparing and submitting a course report identifying what was completed, and recommendation for improved program delivery.

#### **Role Responsibilities**

- Practice a family centred and strengths based approach to program development and implementation;
- Adhere to the Centre's Inclusion Statement and Philosophy;
- Provide support to families by referring to internal and external resources or community supports, such as respite and emergency child care options;
- Create a welcoming, safe, non-judgmental, nurturing environment for all attendees of the program.;
- Evaluation of student language skills at the beginning and end of each session of language training;
- Preparation and submission of a course report identifying what was completed, issues which need to be addressed for future courses and recommendations for improved delivery of second language training; and
- Other duties as assigned.

#### **Qualifications**

- Possess accreditation from a recognized University to teach English as a second language (TESL) or Bachelor degree/Bachelor of Education with demonstrated experience in teaching second languages;
- Ability to read, write and speak French would be considered an asset;
- Experience in group/workshop facilitation with adults;
- Excellent interpersonal and assessment skills; and
- Knowledge of the unique challenges of the military family lifestyle considered an asset.
