

Electec Engineering Inc., an electrical engineering firm on Sackville Drive in Lower Sackville, is seeking a **Full-Time CAD Technician**.

The successful applicant will:

- Have a technical diploma and/or recognized professional experience
- Be deadline-driven
- Be detail-oriented
- Work well independently and as part of a team
- Be able to get along well with others.

Preference will be given to those with a year or more of experience, but new graduates will be considered and are welcome to apply.

Working hours are 37.5 hours a week, Monday to Friday. Some evenings or overtime may be required depending upon client contract deadlines.

Salary is negotiable and will depend upon experience.
