

LYDON LYNCH ARCHITECTS  
HALIFAX, NS

Operating since 1979, Lydon Lynch Architects is a progressive and dynamic architectural practice in downtown Halifax. We believe that high-quality design depends on high-quality technical documents. We have an immediate opportunity for an outstanding, highly motivated **Architectural Technologist** to join our team. Working independently as well as in tandem with our Principals, senior staff, and clients, you will collaborate on a variety of project types and sizes.

Responsibilities:

- Prepare construction drawings and specifications, ensuring all conform to design data and local codes
- Read and interpret sketches, drawings, space requirements, site requirements, and other similar technical materials
- Coordinate design and correspond with engineering consultants as required
- Provide design and technical support as required, including drafting and design questions
- Work accurately and effectively, with a team-first mentality

Requirements:

- College diploma in Architectural Drafting from an accredited North American post-secondary institution
- Proficiency in the current versions of AutoCad and Revit
- Working knowledge of the National Building Code of Canada, building construction systems, and industry associated standards
- Creativity, critical thinking ability, and technical competence
- Good judgment, reliability, and accountability
- Strong work ethic and a team-first mentality
- Strong time management and communication skills
- Proficiency with SketchUP, Adobe Creative Suite, and the Microsoft Office Suite would all be considered assets
- Experience in Construction Administration, previous work term or summer placements and/or exposure to job sites would all be considered assets

This is a full-time opportunity. Lydon Lynch offers a caring and supportive working environment, vacation, and health benefits. Salary will be commensurate with experience. To apply, submit your resume and covering letter to [careers@lydonlynch.ca](mailto:careers@lydonlynch.ca) before May 24, 2019. Only candidates selected for interview will be contacted.
