

Farm Foreman

Granview Farms Ltd is a growing Nova Scotia company with over 40 years of market related experience. We are proud to say that we are the premier supplier and distributor of high quality landscape products throughout Atlantic Canada.

We are actively seeking a well-rounded Farm Foreman to join our team. The ideal candidate is a team player with vision to collectively work toward long-term goals and has a true understanding of our corporate values. This is an individual who brings relevant industry experience and exhibits strong leadership qualities by means of a result driven work ethic. They will consistently help manage farm operations along with quality control activities, while actively working with team members from all levels of the company.

Responsibilities:

- Ensure ongoing maintenance of Nursery Sod fields is completed.
- Lead operations team in smooth daily product processing and delivery.
- Maintain consistent communication with other company departments.
- Ensure quality standard of product is met through best Agricultural practices.
- Hands on execution of equipment operation and maintenance.

Qualifications:

- A minimum of 5 years' experience in an Agricultural environment.
- A minimum of 2 years' experience in a leadership position.
- A firm understanding of Agricultural best practices.
- A basic knowledge of product and service delivery.
- Experience operating and maintaining heavy farm equipment.
- Adaptable to working in a fast paced and constantly changing environment.
- Strong management and leadership skills.
- Able to manage and build strong relationships with internal team members.

Education:

- A post-secondary degree or equivalent training in Agriculture or Horticulture.

We appreciate all those who apply and qualified candidates will be contacted in a timely manner.

6706 Old Guysborough Rd., Elderbank, Nova Scotia, B0N 1K0
