We Have Cleaned Thousands of Heat Pumps

Experience Counts

Breathe Clean is the first company in North America solely dedicated to the cleaning and sanitizing of ductless mini split heat pumps.

We are looking for a mature individual with some mechanical dexterity.

Breathe Clean Offers:

- On the job training**
- Company vehicle during work hours**
- Uniforms**
- Medical and dental benefits**

This job entails travelling from the office in Halifax to multiple cleaning appointments daily and taking payments for service. Choose your schedule!

We require availability on Saturdays, and you can choose your other day(s) of the week. Approximately 15-20 hours weekly. This is a part-time position with possible option of becoming full-time.

The pay starts at \$14.00 per hour with benefits or \$15 without.

Requirements:

Friendly, outgoing personality; Excellent communication skills; Attention to detail; Ability to lift heavy objects; Excellent time management skills; Valid driver's licence / clean drivers abstract; Available to work days and weekends; Criminal record check.

Please reply by email with resume to info@breathe-clean.com. Sorry, only those considered will be contacted.
