## About Us

Nova Scotia Health (NSH) is the largest provider of health services in Nova Scotia, with some specialized services also offered to clients throughout Atlantic Canada. We're on a mission to achieve excellence in health, healing and learning through working together, which is reflected in the hospitals, health centres and community-based programs we operate across the province. Our passionate team of professionals provides a variety of high-quality inpatient and outpatient services including academic, tertiary, and quaternary care, as well as continuing care, primary health care, public health, and mental health and addictions. Join a diverse team of innovators, collaborators and creative thinkers today.

NSH employs professionals in all corners of our beautiful province. We believe there's a place here for everyone to call home, from vibrant cities with exuberant nightlife to quaint towns with picturesque trails. The work-life balance that comes with an NSH role means you'll have the time to explore, discover, and participate in that coveted Atlantic lifestyle. Visit us today or check out [www.novascotia.com](http://www.novascotia.com) and see why more people from across the globe are moving here.

This is a pooling requisition for interested candidates to provide a resume and apply for a position in a contingent workforce to provide care/service. By applying to this requisition you may be offered the opportunity to work in Long Term Care or publicly funded health care entities, although you will be employed and compensated by NSH.

## About You

We would love to hear from you if you have the following:

- License, or eligible for license, with Nova Scotia College of Nursing (NSCN) for RN, LPN, GN, and GPN
  - In recognized emergencies, qualified nurses not currently licensed in Nova Scotia can be quickly processed for a one-time 4-month conditional licensure (CL). There is no fee for this license. Individuals must have sufficient practice hours in Nova Scotia within the last 5 years and not have a condition or restriction on their license to qualify. Candidates that have been offered a COVID-19 position and need to reactivate their nursing license, please check out <https://www.nscn.ca/application-conditional-licence-emergency>. NSCN will notify candidates by email when reactivation is complete. Check out <https://www.nscn.ca/professional-practice/trending-topics/covid-19> for more details.
- License/registration with the appropriate licensing body for RRT, PT, ACP, CCP, SLP, Dietitian, MLT, and MLA
- Completion of a CCA program and certification as a CCA for CTA/CCA
- Completion of high school or equivalent for ESA, Site Screener, Unit Aide, and Utility Worker
- Completion of recognized secretarial/office administration/business program or one year of recent, related experience for Clerical/Administrative
- Commitment to high-quality care and patient safety

Please ensure your resume/application includes all relevant education, experience, training, and certifications.

## Salary

Salary and benefits will be commensurate with respective NSH collective agreements and terms and conditions of employment.

## **Hours**

Casual Relief (No guarantee of hours) and shifts may include days, evenings, nights, weekends, and holidays.

## **Locations**
