

Food Production supervisor

(Part-time) The position could become full time within the next few months.

2 weeks training Minimum Wage (\$12.55), after that \$13.55-\$15.00 based on performance.
performance is evaluated quarterly for the first year (this position offers viable growth opportunities)

We are currently seeking an individual to fill a part-time position in a food production facility located in the Spryfield/Herring Cove area.

Duties and responsibilities include:

- Receiving and storing deliveries of inventory/supplies
- Assisting with all aspects of the production process
- Packaging and labeling product
- Inventory management
- Training employees
- Supervising employees and all production aspects

Skills and experience required:

- Able to take direction and follow procedures
- Able to work independently
- Able to multitask and work quickly and efficiently
- Able to lift up to 50 pounds
- Class 5 driver's license an asset
- Previous experience in food manufacturing an asset but not a requirement
- An interest in plant-based foods/food production an asset

Location: The production facility is located at 751 Herring Cove Road. Transit service is available and stops right across. If you have your own vehicle, parking is available as well.

The ideal candidate is someone who would be available Sunday-Monday-Tuesday.

Sunday and Monday would be longer shifts 8-12 hours and Tuesday is occasional for now. (Work is daytime, between 8am-8pm)
