

Fish & lobster processing/packing labourer

Overview

Bakers Point Fisheries Ltd. is a family run business operating since 1943. We are looking for reliable, safety conscious employees who are willing to be a part of our history and share our values.

Our plant workers are responsible for processing fish and lobster caught by local fishermen on the eastern shore and prepping for international shipment. You'll be part of an industry responsible for one of Nova Scotia's largest growing exports – seafood. Every member of our team plays a vital role in this process, from the moment we take the fish off the boats to the moment we load our product on the truck for shipment.
